History:

The seller is based in Reykjavik in Iceland. There are two Cessna 206 aircraft for sale and each was part of a larger asset acquisition deal from Mýflug air (<https://www.myflug.is/en>) which is the process of closing down or changing their business model. Mýflug has operated these aircrafts for a very long time, basing them at Lake Myvatn (you can still see some of the tours which they operated on their website).
